Arcosanti - Visitor Drone Policy v2

Overview: This document outlines the terms of flying drones at Arcosanti for non-residents.

In Brief: There is no unauthorized UAV (Unmanned Aerial Vehicle) flight on or above Arcosanti property. Arcosanti reserves the right to deter or remove unidentified UAV’s from the air.

To obtain authorization, you must contact the AIS office. You will:
- Bring FAA registration number. If the UAV is not registered, you can do so online for $5 on the FAA website. (This doesn’t not apply for Micro, Nano, or Mini UAVs. Classifications here: https://www.e-education.psu.edu/geog892/node/5.)
- Bring a valid driver’s license (or guardian’s license in the event of a minor).
- Your UAV will be photographed and given an ID.
- Sign this document saying you understand the following terms of flying at Arcosanti:
  - Cosanti Foundation assumes no responsibility for pilot behavior.
  - Cosanti Foundation is in no way liable for any injuries or damages caused by the pilot to themselves, their gear, as well as other persons and their property.
  - Furthermore, Cosanti Foundation reserves the right to hold the Pilot liable.
  - Cosanti Foundation will not pay damage fees incurred directly or indirectly from UAV flight.
  - Cosanti Foundation strongly recommends each pilot has insurance.

You agree to:
- Flying is only permitted weekdays from 8:30am - 7:30pm Monday/Friday for no more than 1 hour per day in public areas.
- Flying is only permitted 9am - 7:30pm Saturday/Sunday/Holidays for no more than 1 hour per day in public areas.
- You can not fly through spaces without special permission
- You must keep a minimum height of 55 feet over inhabited spaces, unless specific permission is granted.
- You must announce your intention to do a weekday flight before doing so at morning meeting. This happens at 11:45 Monday-Friday by the Vaults.
- You agree to having flight logs checked.
  - If violating flight patterns are identified, you agree to paying a fee of $500 to the Cosanti Foundation
- You agree not to sell images/videos taken without explicit permission. Cosanti Foundation reserves the location rights to all media taken on site.
- You agree not to use heatmaps and other data collecting processes from the UAV without special permission.
